EXPERIENCE

CharityVision International

Provo, UT

Strategy Intern

Aug 2026-Current

- Restructuring payment processes across 27 countries, presenting recommendations to executive leadership
- Leading an effort to streamline medical imports by working with local groups and government officials in Africa

StealthMole

Singapore & South Korea

Business Strategy & Customer Success Intern

Apr 2026-Jul 2026

- Investigated suspected North Korean cyber operatives on the dark web for South Korean government investigations
- Presented tailored product demos directly to clients across all sectors, driving \$120K+ in deals
- Refined go-to-market strategy using feedback from 100+ prospective users at DEF CON and government trainings
- Built a usage-scoring dashboard for the sales team covering 50+ client accounts on 3 continents
- Partnered with Palantir to execute a 3-day defense hackathon on real threat intelligence data in Seoul, South Korea

Sharetown

Greater Charlotte Area, NC

Territory Manager (Sales & Operations)

Dec 2019-Apr 2022

- Generated \$100K+ in revenue over two years through competitive pricing and high-growth market targeting
- Improved conversion rates by 60%+ by building a framework to optimize pricing, marketing and customer outreach
- Scaled operations from solo to a team of 5+ by recruiting, onboarding and leading direct reports

PROJECTS

Orbit | JavaScript

- Built a web app that maps LinkedIn connections and finds the shortest chain of introductions into target companies
- Identified that students struggle to see who in their network can help them, and built Orbit to solve it

Query | JavaScript, DuckDB

- Designed a browser-based tool that answers questions from spreadsheets with or without SQL, with no data uploaded
- Simplified data analysis so users get answers from a spreadsheet in seconds, with no setup

LEADERSHIP & SERVICE

The Church of Jesus Christ of Latter-day Saints

Boston, MA

Volunteer Representative

Aug 2023-Aug 2025

- Converted leads from \$200K+ in social media advertising into 300+ appointments
- Adapted messaging for 1,000+ people across diverse cultural backgrounds, increasing engagement

Global Humanitarian Services

Worldwide

- Ran vision tests, distributed glasses and supported families and children through surgery across the Philippines (2022)
- Built schools, libraries and wells in Kenya and Tanzania (2014); coordinated New England food distribution (2023)
- Earned a wildlife rehabilitation certificate for husbandry & animal care working with monkeys in South Africa (2015)

SKILLS & INTERESTS

- Claude, Creative Cloud (Photoshop, Premiere Pro), Python, JavaScript, SQL, Excel, Tableau, HTML, C++, OSINT
- Two-time high school state volleyball champion and team captain – pianist and top 2% Teamfight Tactics player
- Explored and lived in 80+ countries and 6/7 continents - goal to complete all seven with Antarctica
- Lifelong ocean enthusiast – surfer, PADI certified scuba diver and sailor (Lasers, Sunfish and catamarans)
- Always learning from museums, history and film – and Shakespeare most of all (favorite play: Hamlet)
